Meme Clip Catalog — cats (C) and dogs (D)

Every usable green-screen clip, numbered. When planning a video, Claude lists the clip numbers it will use (e.g. 'Mom = C7, Me = C6, Doctor = D28'). Pictures are the middle frame of each clip. 'Sound' is what the clip's own audio is — the video plays it while that character talks.

Cat clips

1. Clip C1 — White cat with huge round 'huh?' eyes peeking up

Good for: shock, confusion, 'huh?'
File: cat_pack.mp4, 0.00–6.73 s (6.7 s)
Sound: low voice ~124 Hz (human or bark - check)

2. Clip C2 — Fluffy orange cat sitting, looking up

Good for: hoping, waiting, wishing
File: cat_pack.mp4, 6.73–13.93 s (7.2 s)
Sound: low voice ~88 Hz (human or bark - check)

3. Clip C3 — Small orange cat sitting and meowing

Good for: calling out, asking
File: cat_pack.mp4, 13.93–19.83 s (5.9 s)
Sound: animal sound (~500 Hz)

4. Clip C4 — White & brown cat standing, meowing loudly

Good for: demanding, complaining, kid asking
File: cat_pack.mp4, 19.83–24.67 s (4.8 s)
Sound: animal sound (~1067 Hz)

5. Clip C5 — Same white & brown cat, close, meowing

Good for: pleading, arguing
File: cat_pack.mp4, 24.67–28.53 s (3.9 s)
Sound: animal sound (~1067 Hz)

6. Clip C6 — Big-eyed orange kitten peeking from the side

Good for: innocent child, curious, worried (audio: a woman laughing then talking - user flagged)
File: cat_pack.mp4, 28.53–38.37 s (9.8 s)
Sound: low voice ~258 Hz (human or bark - check)

7. Clip C7 — Sad tabby (calico) looking down

Good for: sad, tired, guilty, quiet sacrifice
File: cat_pack.mp4, 38.37–43.67 s (5.3 s)
Sound: animal sound (~421 Hz)
